How sustainable is your lab?

Join the LEAF project and get certified!

LEAF is a **certification program** for sustainability in labs. 95 institutions in 15 countries are participating, including **labs from ETH and UZH!**
Time to get your lab on board as well!

► Why should you join?

- Save energy
- Reduce waste
- Save resources (and money)!
- Small effort - big impact
- Free of charge for your lab!

► How can you join?

1. Scan your code!

or

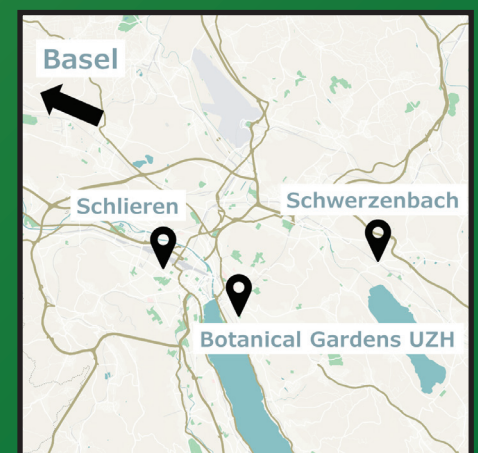

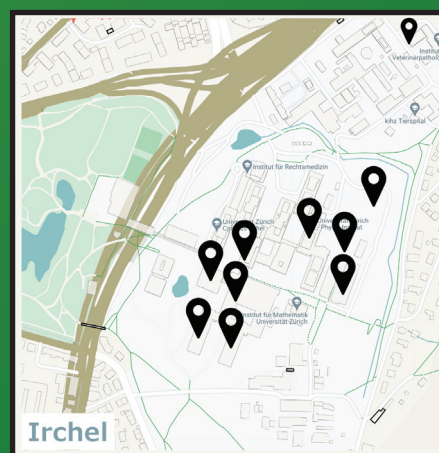

2. Register your lab on the LEAF platform.
3. Start a sustainability dialogue in your lab!
4. Decide together which level to submit for.

5. Take action in the lab to fulfill the criteria.
6. Get peer-reviewed and certified!

Check out the other labs who joined already!
